GCSE MATHEMATICS

Foundation Tier Unit 2 Number and Algebra

Friday 6 November 2015

Morning

Time allowed: 1 hour 15 minutes

Materials

For this paper you must have:

mathematical instruments.

You must not use a calculator.

Instructions

- Use black ink or black ball-point pen. Draw diagrams in pencil.
- Answer all questions.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- Do all rough work in this book.

Information

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 66.
- The quality of your written communication is specifically assessed in Questions 7, 10, 16 and 17. These questions are indicated with an asterisk (*).
- You may ask for more answer paper and graph paper. These must be tagged securely to this answer book.

Advice

• In all calculations, show clearly how you work out your answer.

. 4
12

Here are five expressions.

A	2 <i>x</i>
В	$x^2 + 4x$
С	3 <i>x</i>
D	$2x - x^2$
E	$x^2 + 3x$

When you add two of the expressions the answer is 6x

Which two expressions?

[1 mark]

..... and

N = 2a + b

15

a is a two-digit square number.

 \boldsymbol{b} is a two-digit cube number.

What is the **smallest** possible value of *N*?

[3 marks]

Answer

1 5
